

LUMBER VENEER

EASTERN WHITE & RED PINE PRODUCER

Husky Lumber is located in the heart of Canada's premier Eastern White Pine region.

We produce rough sawn lumber for wholesale and export markets, with consistent capacity and year-round supply.

With over 80 years of experience, our team understands international market requirements: accurate grading, consistent quality, controlled drying, and reliable logistics.

**Canadian Eastern White Pine
Trusted Worldwide**

Husky Lumber - Built on Quality.
Committed to Partnership.
